

Vijay Engineers

100% Defence Oriented Unit

Manufacturer of :- Indigenisation of Precision Products/ Assemblies/ Sub-assemblies, Design & Manufacturing of Special Purpose Machines, Automations with Precision Part & Fabrication for Indian Ordnance Factories, DRDO, Indian Navy, Army & Airforce.

INTRODUCTION

We, M/s Vijay Engineers have been in the business of Engineering Equipment, design, Manufacturing & Indigenising for various Defence Units all over India. we are equipped with the best Team that is committed to accomplish the given task without compromising on quality in-time. We have Manufactured and supplied Special Purpose Machines as per requirement to Defense Divisions and have received Appreciation from Ministry of Defense. We have a well-established track record we have achieved customer satisfaction consistently. With quality manufacturing facilities and skilled workforce, we have been dealing in all kinds of machinery including critical parts for processing line machine.

OUR ACHIEVEMENTS

- 1) Appreciation from CNAI(W) Indian Navy for the indigenization of signal flare launcher basket for KALVARI submarine.
- 2) Appreciation from “Indian Economic Development & Research Association” New Delhi.
- 3) Appreciated for Development of Vital Import Substitute for Conveyor Transfer Bar Assembly 5.56 mm Bullet by Ammunition Factory Khadki – Pune.
- 4) Ordnance Factory Ambajhari were given the task to build a light weight KM bridge for the Indian Army, for which we have fulfilled the requirement of Joint Bands, Roller Launching, CSK fitted Assembly to Bridge shop for the development of Sub Assembly. Because of which we have been presented an Appreciation Letter by OFAJ.

APPRECIATION LETTTERS FROM DEFENCE FACTORIES

APPRECIATION LETTER FOR DEVELOPMENT OF CRUCIAL EQUIPMENT FOR DEFENCE PURPOSE FROM AFK.

APPRECIATION LETTER FOR CONVEYOR TRANSFER BAR ASSEMBLY FOR 5.56MM BULLET ASSEMBLY FROM AFK.

APPRECIATION LETTER FOR LIGHT WEIGHT ALUMINIUM BRIDGE TO INDIAN ARMY FROM OFAJ.

APPRECIATION LETTER FOR INDIGENISATION OF SIGNAL FLARE LAUNCHER BASKET FOR KALVARI SUBMARINE FROM CNAI(W), INDIAN NAVY.

LIST OF FEW SPM MACHINES SUPPLIED TO DEFENSE DIVISIONS:

1. Two Head Liner Weighing Machine – Ordnance factory Bhandara.
2. Salt Spray Apparatus – Ammunition factory Khadki, Pune.
3. Integration Trolley - Ordnance factory Ambajhari, Nagpur.
4. Caulking Equipment – Machine Tool Prototype factory, Ambernath.
5. Centre of Gravity Measuring Machine – Ordnance factory Muradnagar/Ordnance factory Khamaria, Jabalpur.
6. Critical Stores/Assemblies developed for Dhanush Gun for Gun Carriage factory, Jabalpur.
7. Vacuum Cleaning Machine for cleaning of PINAKA POD 5.5 meters long at Ordnance factory Chanda, Chandrapur.
8. Supply of Painting Booth Assembly for painting of Shell body of Pinaka Missiles to Ordnance factory Chanda, Chandrapur.
9. Manufacturing & Supply of Primer Electric 1AL full body Assembly to Ordnance factory Chanda, Chandrapur.
10. Design Supply Installation & Commissioning of Single Base Propellant Filling Machine Accuracy - $\pm 29\text{m}$ to Ordnance Factory Nalanda, Bihar.
11. Supply Erection & Commissioning of Crimping Machine For Detonator 356MG ZL to Ordnance Factory Badmal , Bolangir , Orissa.
12. Water tube (Horizontal) tester for DRDO (HEMRL), Pune.

My Company, my team is fully committed to complete the given task without compromising on quality. We have been consistently Manufacturing for Ordnance factories all over India since 1994. We are undergoing business developments and we are constantly evolving to make sure that we meet our customers' requirements. We have always maintained a positive approach in our work and it has always been our strength.

We are looking forward to the Make in India initiative for Defense Industries, we can offer optimum quality products in timely delivery with more investment if we get good order assurance for long term business.

Mr. Vijay Shah
Proprietor
